

LISHA Computer Networks Group (NET) - Meetings Page

Group meetings currently take place every Thursday at 17:30 at LISHA, unless when otherwise communicated either in this page or by e-mail. It is also important that those attending to group meetings are subscribed in the [NET mailing list](#), once important information will be communicated through that list.

Although planned for LISHA members, anyone expecting to contribute to the group is welcome. If this is your case, feel free to contact any of the NET members to check whether joining the group is interesting to you or not.

Bellow are links to meeting reports. Meeting reports prior to December 5th, 2012 are stored at LISHA's project management system.
