

Prof. Dr. Tiago Oliveira Weber

Professor at the Federal University of Santa Catarina (UFSC), Araranguá.

Curriculum

Curriculum Vitae at CNPq ([Lattes](#))

Research

My main research interests are:

- CAD tools for analog integrated circuits
- optimization and metaheuristics
- analog integrated circuit design
- artificial intelligence techniques.

Teaching Activities

Second semester of 2016 (planned):

- Electric Circuits
- Data Communication
- Signal Acquisition

First semester of 2016:

- Electric Circuits
- Fundamentals of Mathematics to Computer Science
